Working with an assigned partner, you will create a **ToonDoo comic strip** to narrate conversations between friends about their **daily/weekly free time activities**.

You will need a ToonDoo account in order to do this, and we will do this together. You will only need to log in to one of your two accounts (1 per group).

  - The characters will talk about **their friends and family members** (él/ella/mi madre, mi amigo/nosotros/mis amigos/etc)
  - The characters will talk about their homes.
  - The characters will talk about **where they go and what they do** during the week.
- Each group will use the verbs from the **Unit 3 MASTER LIST**, plus any other verbs we have studied this year
- You will have **2 class periods to work on this**. You will have a **deadline for each class**. **DO NOT EVEN THINK ABOUT USING A TRANSLATOR.** I want to know what is in **YOUR OWN WORD BANK**. You have to use this opportunity to use the information you've been learning.
